Responsible Care is the chemical industry's commitment to continual improvement in health, safety and environmental performance.

This workshop is designed for Responsible Care Co-ordinators who would like to move beyond simple compliance with the programme and further explore its potential to improve health, safety, and environmental standards.

If you already have a good understanding of the basic requirements of Responsible Care, this advanced workshop will help to develop Responsible Care in your company

Delegates must have previously attended our Introductory Responsible Care workshop

**The workshop provides information on the CBA Responsible Care programme including:**

- ✓ **Third Party Verification**
- ✓ **ICTA TPV**
- ✓ **Mature SAQ & Derogation**
- ✓ **The Responsible Care Awards – guidance for entry**
- ✓ **Sustainability within RC**
- ✓ **Product Stewardship**
- ✓ **Security & Code of Conduct**
- ✓ **Emergency response – On-site and during transport**
- ✓ **Business Continuity**
