Responsible Care is the chemical industry's commitment to continual improvement in health, safety, security and environmental performance.

Compliance with the Responsible Care (RC) programme is mandatory for all CBA Distributor and Logistics Services members, and an important aspect of the programme is completion of the annual Indices of Performance (IoPs).

The seminar will discuss the information required to complete the IoP form, on a section-by-section basis. Attendees will be able to raise their individual issues

This half-day seminar will help the RC Coordinators of member companies understand the key elements of the annual IoP form.

It is suitable for all RC Co-ordinators, whether newly appointed, or for those who would benefit from a detailed explanation of how to complete the annual IoP form

## The refresher will explain:

- ✓ **Why IoP data is required**
- ✓ **The information required on a section-by-section basis.**
- ✓ **The guidance document**
- ✓ **When additional information is required**
- ✓ **Common areas of difficulty**
- ✓ **The annual IoP reports**

*To book your place on this event, please complete the form overleaf & email it to [events@chemical.org.uk](mailto:events@chemical.org.uk)*
