

Chinese Cosmetic Regulation

‘Online Clinic’

Wednesday 1st March 2023

10:00am – 11:00pm

Free of Charge

On 1st January 2022, the China National Medical Products Administration (NMPA) launched the Cosmetic Ingredients Safety Information Platform. Since then, cosmetic ingredient suppliers should create a platform account and submit the safety information of their ingredients to generate a code. This code can be shared to downstream cosmetic registrants, filers or the domestic responsible person to affiliate the safety ingredients and report to the NMPA.

This clinic will look at

- Overview of the Management of Cosmetic Ingredients in China
- Overview of the NMPA Cosmetic Ingredient Safety Information Platform
- Procedure, required information, timeline, etc

About the Presenter

Mr. Bryan Zhou is Deputy General Manager and Senior Regulatory Consultant of CIRS Europe based in Dublin, Ireland. He has been working for CIRS for more than seven years. His extensive expertise includes EU REACH, China REACH, K-REACH, Global GHS requirements and other worldwide regulation compliance knowledge.
