Are you involved in the transport of Dangerous goods by rail?

This seminar is aimed at those who have a duty under the RID regulation or those looking to refresh prior to their next examination.

It will clarify to those attending if they have an obligation under the regulation.

Who should attend? This one-day seminar will be relevant to all within the chemical industry who need to be aware of the obligations imposed under the Carriage of Dangerous Goods Regulations. Whether you consign, carry or store goods, the seminar will deliver "Peace of Mind" in knowing whether or not you are in scope of the regulation

The workshop provides a basic insight into aspects of:

- **Background to the legislation**
- **What are the obligations**
- **Who is responsible?**
- **How to classify goods**
- **How to package materials**
- **Placarding and marking of wagons**
- **How to label goods**
- **Essential documentation**
- **Interactions between modes**
